

Cleveland Hts. man found shot to death at Jaffe firm

A Cleveland Heights man was found shot to death last night on the loading platform of the business he managed.

Arthur J. Jaffe, 52, of 2128 Marlindale Rd., manager of Henry Jaffe & Co., 6501 Cedar Ave., was discovered by a relative at 10:47 p.m., police said. He was shot once in the stomach, police said.

Jaffe had called an alarm company about 8:30 p.m., police said, to explain the alarm at the business would not be turned on because he planned to work late.

However, the alarm company later became concerned and apparently contacted the relative, who called police.

A change purse, keys and other personal belongings were found strewn about the body, police said, although a motive for the shooting has not yet been established. The firm deals in plastic and cloth materials.

\$1,000 reward offered in slaying

A \$1,000 reward was announced yesterday for information leading to the conviction of the killer of Arthur J. Jaffe, who was shot to death Oct. 31 on the loading dock of a business he operated at 6501 Cedar Ave.

The money was offered by Jaffe's brother, Dr. Jack W. Jaffe.

Arthur Jaffe, 51, was president of Henry Jaffe & Co., a plastics recycling firm. Police believe he was killed during a robbery as he was loading goods onto a truck.

Anyone with information is asked to call the Cleveland police homicide unit, 623-5464.
