

# Before you write your next cheque...

If you give — or consider giving — money for Israel, you should read **Giving Wisely**. Preferably before you write that next cheque.

**Giving Wisely** is the only comprehensive guide to non-profit and volunteer social services in Israel. It presents detailed profiles of nearly 400 Israeli organizations, indexed alphabetically, with historical, financial and operational facts about each one.

**Giving Wisely** provides the information and advice you need, to make intelligent choices in supporting Israeli organizations, whether you are planning to donate \$50 or \$50,000.

Author Eliezer D. Jaffe is Professor of Social Welfare at the Hebrew University of Jerusalem.
